Experience

October 2018 - August 2019
Abdullah Gül University Communication Club l Kocasinan, Kayseri
Member of the Management Team
During this time, we organized numerous events, and besides managing I was responsible for creating their posters. Throughout this process, I gained more experience in Canva, teamwork and management-related tasks.

July 2022 - June 2022
Uludağ İçecek A.Ş. l Doğanevler, Osmangazi, Bursa
Fullstack Web Development Intern
I worked at Uludağ İçecek A.Ş. for my summer internship for 25 working days. I developed an online application form called 'Uludağ İçecek Türk A.Ş. Online Başvuru Platformu'. During my internship, I used .NET, MVC6, MSSQL, Bootstrap, Jquery and various NuGet packages.

October 2022 - December 2022
Kodluyoruz & Patika l Online
Bootcamp Acceleration Program Participant
During the bootcamp, I continued in Java and Python branches. This bootcamp provided me with the opportunity to enhance my familiarity with both Java and Python programming languages.

August 2023 - September 2023
AerialSoft Yazılım l Remote
Web Development Intern
I worked at AerialSoft Yazılım for my summer internship for 35 working days. I prepared a website for the company. During my internship, I used MYSQL, CSS and Bootstrap.

Volunteer Experience

December 2018
AGU Erasmus+ Office l Kocasinan, Kayseri
OnAct Program Participant
As a result of participating in the program, I acquired the skills to use Canva, Trello, Google Services Collaborations and Quik. These tools have enabled me to carry out team collaborations more effectively and manage teams in a more professional manner.

March 2019
Bilim Kahramanları Derneği & IEEE AGU l Kocasinan, Kayseri
Volunteer Worker for the Mission Moon Event

Projects & Awards

My projects and awards are at **https://ismailoksuz.github.io/ismail-oksuz/**
